## GAS DISCHARGE TUBES

### Bourns® Model 2027-xx-BIR Series 2-Pole Gas Discharge Tube to be Discontinued

Riverside, California – July 24, 2023 - In accordance with its ongoing product life cycle management procedures, effective June 28, 2024, Bourns will transfer the Model 2027-xx-BIR Series 2-Pole Gas Discharge Tube to an End of Product Life status. A lack of sales volume and diminishing demand necessitates this action.

Regrettably, no replacement part numbers are available at this time. Customers may continue to purchase these part numbers during the End of Product Life transition period between now and June 28, 2024. Orders for these part numbers during this End of Product Life transition period will be considered noncancellable. Products purchased during this End of Product Life transition period will be considered nonreturnable and will be covered by Bourns' standard warranty. A list of affected part numbers is provided below.
