Model PWR2010W, PWR2615W, PWR4318W, PWR4525W & PWR5322W Series

Riverside, California – February 23, 2024 - In accordance with our ongoing product life cycle management procedure, effective July 31, 2024, Bourns will transfer the Model [PWR2010W](#), [PWR2615W](#), [PWR4318W](#), [PWR4525W](#) and [PWR5322W](#) Series Surface Mount Wirewound Resistors to an End of Product Life status. A shortage of raw materials necessitates this action. A list of obsolete and replacement part numbers* is included on page 2.

Customers may continue to purchase these part numbers during the End of Product Life transition period between now and July 31, 2024. Orders for these part numbers during this End of Product Life transition period will be considered noncancellable. Products purchased during this End of Product Life transition period will be considered nonreturnable and will be covered by Bourns' standard warranty.

Please plan for the following deadlines:

Last time buy date: **July 31, 2024**

Last time ship date: **December 31, 2024**

If you have any questions or need additional information, please feel free to [contact Customer Service/Inside Sales](#).

**In April 2023, Bourns acquired substantially all of the assets of Riedon, Inc. The replacement part numbers listed in this Product Obsolescence Memo, solely for ease of customer transition, currently maintain the part number designations previously used by Riedon, Inc.
