

March 2002

Product Alert/Discontinuation Notice - Model 70AA Only-

The following Modular Contact part numbers are being discontinued. We are removing the locator pin option only (identified by the "1" in the part number) from all of the male (M) versions. The non-locator pin versions are still available. Open orders for discontinued products will be accepted until July 1, 2002. The data sheets on the web site will reflect these changes within the next few weeks.

The drop in replacement units for the locator pin versions are listed below:

DISCONTINUED PARTS #s	REPLACEMENT PART #s
70AAJ-2-M1	70AAJ-2-M0
70AAJ-2-M1G	70AAJ-2-M0G
70AAJ-3-M1	70AAJ-3-M0
70AAJ-3-M1G	70AAJ-3-M0G
70AAJ-4-M1	70AAJ-4-M0
70AAJ-4-M1G	70AAJ-4-M0G
70AAJ-5-M1	70AAJ-5-M0
70AAJ-5-M1G	70AAJ-5-M0G
70AAJ-6-M1	70AAJ-6-M0
70AAJ-6-M1G	70AAJ-6-M0G

Pricing for the discontinued products has been removed from the system. Effective immediately, all sample requests will be supported with the appropriate replacement part (non-locator pin versions). All shipments will be completed on or before Dec 31, 2002.

The locator pin option remains in effect for the Female (F) versions of the 70AAJ devices.
