

Product Change Notification

TRIMPOT® TRIMMING POTENTIOMETERS

October, 2016

Bourns® Model TC42 Series 2 mm SMD Trimpot® Trimming Potentiometers *Change to Manufacturing Location*

The manufacturing location for the Bourns® [Model TC42 Series](#) 2 mm SMD Trimpot® Trimming Potentiometers is changing. The products are currently being manufactured in Dongguan City in the Guangdong Province of China. After February 2017, the products will be manufactured in a new factory located in Dandong City in the Liaoning Province of China.

There will be no change to form, fit, function, quality or reliability of the trimming potentiometers. The only change is to the manufacturing location.
