Bourns® Model SM91602L LAN Transformer to be Discontinued

Riverside, California – August 23, 2023 - In accordance with our ongoing product life cycle management procedure, effective January 15, 2024, Bourns will transfer the [Model SM91602L LAN Transformer](#) to an End of Product Life status. The replacement of this product by an updated model necessitates this action.

Obsolete Part Number	Suggested Replacement Part Number
SM91602L-E	SM91604L-E

The Model SM91604L LAN Transformer is the recommended replacement. The form, fit and function of the suggested replacement model are not identical to the obsolete model. However, the specifications of the suggested replacement Model SM91604L are likely to be substitutable for typical applications. Please refer to Bourns data sheets or [contact a Bourns Application Engineer for more information](#).

Customers may continue to purchase this Model SM91602L during the End of Product Life transition period between now and January 15, 2024. Orders for Model SM91602L during this End of Product Life transition period will be considered noncancellable. Products purchased during this End of Product Life transition period will be considered nonreturnable and will be covered by Bourns' standard warranty.

Please plan for the following deadlines:

Last time buy date: **January 15, 2024**

Last time ship date: **July 14, 2024**

If you have any questions or need additional information, please feel free to [contact Customer Service/Inside Sales](#).
