CO & OUTSIDE PLANT PRODUCTS

December, 2012

Model 2377-35-H (356H) Hybrid Station Protector to be Discontinued

Bourns Outside Plant Product Line will be discontinuing part number [2377-35-H \(Model 356H\)](#) Hybrid Station Protector. A lack of sales volume and diminishing demand necessitates this action.

The replacement part numbers include [2377-45-HS-IDC](#) (Insulation Displacement Connectors) and/or [2377-45-HS](#) (Binding Post Connectors). Each of these part numbers are Model 455HS Series Multi-Stage Protector (MSP®) Maximum Duty Station Protectors.

The replacement parts have the same fit and function as the discontinued part. The part's form differs from the discontinued part due to a change in color - the Model 455HS is black and the Model 356H is yellow. The Bourns Industry Code is 455HS.

Please plan for the following deadlines:

*Last Time Buy Date: **December 31, 2012***

*Last Time Ship Date: **January 31, 2013***

Should you have any questions or need additional information, please feel free to contact [Customer Service/ Inside Sales](#).
