Bourns® Model 125-EW/EW-R Series Sealed Gas Tube Station Protector to be Discontinued

Bourns Outside Plant Product Line will be discontinuing part numbers [2374-01](#), [2375-01](#), [2375-01-N](#), [2375-01-T](#), [2375-01-X1](#) and [2375-01-X2](#) (Model 125EW/EW-R Series) Sealed Gas Tube Station Protectors. A lack of sales volume and diminishing demand necessitates this action.

The replacement part number is 2378-35-G (Model 155G Series) Heavy Duty Station Protector. The replacement model offers superior performance and service life. The replacement model has the same fit and function. The replacement part's form differs from the discontinued part due to a change in color – the Model 125EW/EW-R Series is grey and the Model 155G Series is black. The Bourns Industry Code is 155.

Please plan for the following deadlines:

Last Time Buy Date: February 15, 2013

Last Time Ship Date: March 15, 2013

Should you have any questions or need additional information, please feel free to contact [Customer Service/Inside Sales](#).
