Due to low demand, Bourns® Trimpot® Product Line is announcing the end of life for the part numbers listed above.

Due to their specific application design, there are no replacements for these part numbers. At this time we are asking customers to assess their needs for high voltage or center tapped versions and place last time buy orders. Please make note of the following deadlines:

- *Orders for these part numbers will be accepted until October 3, 2011.*
- *Last ship date will be December 16, 2011.*

All last time orders are final. Last time orders may not be scheduled out.

Please feel free to contact [Bourns Customer Service](#) with any questions regarding this notice.
