

BOURNS®

TERMS AND CONDITIONS OF SALE

1. CONTRACT

All orders (hereinafter “Orders” or “Contracts”) accepted by Bourns, Inc. and its subsidiaries (individually hereinafter “Seller”) for sale of its goods or provision of services in connection with sale of goods (collectively, “Goods”) are on the express condition that these Terms and Conditions of Sale and order information set forth on Seller’s acknowledgment shall constitute the complete and exclusive written expression of the terms of the agreement between the parties, regardless of any conflicting, inconsistent or additional provisions proposed by the buyer hereunder (“Buyer”), and shall supersede all prior or contemporaneous proposals (oral or written), understandings, representations, conditions, warranties, covenants, and all other communications between the parties relating to the subject matter of such Order. Seller will proceed on this basis unless an express written objection by Buyer is received within ten (10) days of Seller’s acknowledgment. The Terms and Conditions of Sale as set out herein may not in any way be explained, interpreted or supplemented by a prior or existing course of dealings between the parties, by any usage of trade or custom, or by any prior performance between the parties pursuant to this Contract or otherwise and may not be modified in any way by any subsequent proposals, acknowledgments, or other communications which relate to this Contract, unless specifically agreed to in writing by Seller. Seller is not responsible for typographical errors made in any of its publications, or for stenographic or clerical errors made in preparation of quotations, acknowledgments, or specifications. All such errors are subject to correction. All prices are based on the quantity and delivery shown on the Seller’s quotation or acknowledgment.

2. PRICE, QUANTITY AND TAXES

The prices and quantities set out herein represent the quantity information contained in Buyer's Order to Seller, and Seller's agreed-to price therefore, and shall be controlling unless specifically objected to by Buyer within ten (10) days from the date hereof. In case of an objection, both parties shall in good faith seek to reach an agreement. Seller reserves the right to over or under ship the quantities specified on Buyer's purchase order by up to 5% for any Goods other than those that are standard, stock adjustable. Buyer agrees to accept such over or under shipment as complete shipment. Buyer shall be invoiced for quantities actually shipped. Buyer agrees to pay all applicable sales, value added, withholding or any other tax, tariff, duty or fee imposed as a result of sale or delivery of any Goods, other than taxes based on Seller’s income, or in lieu thereof, Buyer shall provide Seller with a valid resale or exemption certificate acceptable to taxing authorities. If Buyer is required to withhold tax from payments to Seller, then Buyer shall promptly furnish Seller with original tax receipts issued by the taxing authority evidencing payment.

3. TERMS OF PAYMENT

Payment terms are net thirty (30) days from date of invoice, unless otherwise specified on the invoice. Seller may at any time, when in its opinion the financial condition of the Buyer warrants it, either alter or suspend credit. Overdue accounts will be considered grounds for withholding shipments, canceling any or all Contracts, or requiring payment in advance or C.O.D., at Seller’s option. Seller, at its option, may charge Buyer finance charges on overdue invoices in amounts or at rates not to exceed the maximum amounts or rates permitted by law. Each shipment shall be considered a separate and independent transaction and therefore payment shall be made accordingly without any set offs. If shipments are delayed by or at the request of Buyer, Buyer agrees to make payments net thirty (30) days from the date when Seller is prepared to make shipment.

4. SHIPMENTS/TITLE TRANSFER

All shipments are FCA Seller's place of shipment Incoterms® 2010 unless otherwise agreed to in writing by Seller. Seller assumes no liability for loss, delay, breakage, or damage after delivering packaged Goods to the common carrier. There is no extra charge for standard packaging for domestic shipment. All other transportation costs, including but not limited to special packaging, duties or taxes, are the sole responsibility and liability of Buyer. Seller shall determine the choice of common carrier and whether shipment is to be collect or prepaid and billed to Buyer, unless specified by Buyer in writing. Cost for insurance will be included in the shipping costs to be paid by Buyer unless Buyer specifically requests in writing that shipments not be insured and acknowledges liability for all risks thereof. Title and risk of loss or damage to the Goods transfers to Buyer at the time the Goods are transferred to the common carrier unless otherwise agreed to in writing by Seller.

5. DELIVERY

The shipment date set out herein is Seller's best estimate of the time Goods will be shipped from its factory, and Seller assumes no liability for loss, damage, or consequential damages due to delays for any reason. In no way shall Seller be bound to a firm shipment or delivery date, regardless of the wording in Buyer's purchase order, unless expressly agreed to in writing by Seller.

6. ACCEPTANCE

Final acceptance or rejection of the Goods shall be made as promptly as practical after delivery to Buyer. However, unless earlier formally rejected or accepted, the Goods shall be deemed by the parties to be accepted thirty (30) days after delivery to Buyer. Upon acceptance of each unit of Goods, Buyer waives any right to revoke such acceptance for any reason, whether known or unknown to Buyer at the time of acceptance. Buyer's sole and exclusive remedy regarding any defect or nonconformance becoming apparent in the Goods after such acceptance shall be as set out in Clause 13 hereof (Warranty).

7. RETURNS

A. The parties agree that Buyer shall be entitled to reject an entire installment shipment only if: (i) the shipped Goods fail to meet Seller's standard acceptance level (or the agreed acceptance level, if specified in writing), (ii) Seller receives written notice of such failure to meet the acceptance level with full explanation within thirty (30) days from date of shipment by Seller, and (iii) such failure is substantiated. In such event, Seller will either correct such failure or authorize return.

B. The rejection of any installment shipment shall not be considered grounds for cancelling the entire Contract. All returns of any nonconforming Goods within the applicable acceptance level shall be handled exclusively under the Warranty provisions in Clause 13.

8. CHANGES

Any changes by Buyer relating to the work to be performed, method of shipment or packing, schedule, or place of delivery must be made by written order to Seller. If such changes cause an increase or decrease in the cost of performance or in the time required for performance, the parties shall negotiate an equitable adjustment promptly in good faith and the Contract shall be modified in writing accordingly, provided that any changes which decrease the quantity of Goods ordered shall be governed by the terms of Clause 9 below. Seller shall have ninety (90) days from receipt of a written request for change in which to claim an adjustment under this clause.

9. CANCELLATION/RESCHEDULING

In the event of cancellation or rescheduling of all or any part of the Contract by Buyer, Seller shall be entitled to be paid cancellation and/or rescheduling charges, as reasonably determined by Seller, except as otherwise expressly agreed in writing by Seller. Such charges shall include all expenses, liabilities, and obligations incurred with respect to manufacturing the Goods, storing the Goods, or contracting manufacture of the Goods, plus an allowance for a reasonable profit.

10. FORCE MAJEURE

In no event shall Seller be liable for any losses or damages (including incidental or consequential damages), delays or defaults occasioned by: (i) acts of God or of a public enemy, (ii) acts of the United States or foreign Governments, or any state or political subdivision thereof, (iii) fires, floods, explosions or other catastrophes, (iv) epidemics and quarantine restrictions, (v) strikes, slowdowns, or labor stoppages of any kind, (vi) freight embargoes, (vii) unusually severe weather, (viii) delays of a supplier, (ix) terrorist activity, or (x) causes beyond the control of Seller.

11. NON-APPROVED APPLICATIONS

Buyer and end-users are ultimately responsible for selecting and testing Goods for their particular applications. The limitations on Seller's responsibility for use of its Goods in high risk applications, such as nuclear, certain medical, aircraft/aerospace and automotive, is described in more detail in the Legal Disclaimer Notice. C. **Remedies.** Seller, at its option, shall repair or replace, or refund the purchase price of, Non-Conforming Goods, or, if mutually agreed by Seller and Buyer, the purchase price of the Non-Conforming Goods shall be reduced by a mutually agreed amount. Seller shall not be obligated to repair or replace a Non-Conforming Good located in an embargoed country. Seller's obligations and Buyer's remedies with respect to Non-Conforming Goods are solely as set forth in this Subsection C.

D. **Limitations.** Seller's express warranty set forth in Subsection A is the only warranty with respect to Goods furnished pursuant to Buyer's purchase order(s). **SELLER EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, WHETHER ORAL, WRITTEN OR STATUTORY, OR EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND/OR FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT SHALL SELLER BE LIABLE FOR ANY SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS.** Seller's total liability for Non-Conforming Goods shall not exceed the cost of the remedy selected by Seller at its option pursuant to Subsection C above.

Buyer shall have the right to participate in its own defense of such claim or action, at its own expense, with counsel of its own choosing.

C. Seller shall have no liability or obligations to Buyer with respect to any claim or action relating to: (i) any Goods made or sold by Seller in accordance with Buyer's specifications or designs, (ii) Buyer-modified versions of Seller-supplied Goods, or (iii) the combination of Seller-supplied Goods with equipment, products, processes and/or services not supplied by Seller, provided that such infringement or misappropriation could have been avoided by a different combination or by the use of the unmodified Seller-supplied Goods alone.

D. In the event that Goods or any technology or process utilized by Seller to manufacture Goods for Buyer is held in any action or proceeding to directly infringe or misappropriate any United States patent, copyright, trademark, trade secret or other intellectual property right of a third party and its use is enjoined, or if in the opinion of Seller such Goods, technology or process is, or is likely to become, the subject of such a claim of direct infringement or misappropriation, Seller, at its own expense, shall have the right to: (i) procure for Buyer the right to continue using the Goods, (ii) replace or modify the Goods to make it non-infringing but reasonably functionally equivalent, or (iii) refund the purchase price and pay the shipping costs for the return of the Goods to Seller. Seller, thereafter, may cancel all open Contracts and terminate all future Contracts for such Goods and may decline acceptance of any future orders for such Goods without liability to Buyer or otherwise. Seller disclaims any implied warranties of non-infringement, liability for contributory infringement and inducement to infringe, and the rights and remedies set forth herein are the exclusive rights and remedies of Buyer with respect to claims of intellectual property infringement or misappropriation concerning Seller's Goods.
