Bourns® Inductor Optimization Plan Takes Effect on April 1, 2010

Riverside, California - March 3, 2010 - This is a reminder for the Bourns® Inductor Optimization Plan which will take effect on April 1, 2010. The last time buy date for the models being phased out is March 31, 2010. Only orders for the alternative models will be accepted after this date.

To assist you in finding the proper replacement part number, a cross reference of individual part numbers of those models being phased out to the alternative part numbers is included.
