## RESISTOR NETWORKS

### Model 4600 Series

Riverside, California - March 25, 2011 - The order rate for the Bourns® [Model 4600 Series](#) continues to exceed our current production capacity.

New orders of Model 4600 Series part numbers placed by direct customers will be shipped at least partially no later than 20 weeks after receipt of the order.

There will be two order acknowledgements as a result of your order. The first is the automatic commit to ship date. This confirmation will be superseded within 48 hours by an email from customer service with an improved delivery date.

Please review your existing backlog of Model 4600 Series part numbers with Bourns and give your Bourns customer service representative the order in which you require existing purchases to be shipped from July 1, 2011.
