SENSORS & CONTROLS PRODUCTS

Commercial Panel Controls Update

Riverside, California - May 11, 2009 - In line with our commitment to provide our customers with value, Sensors and Controls is announcing lower minimum order quantities and multiples on select Commercial Panel Control Models. **Multi-ganged potentiometers will also be expanded out by size to accommodate standard packaging.** The following models are included in the update:

- [PDB18](#) – 17 mm Rotary Panel Control
- [PTD90](#) – 9 mm Multi-Ganged Potentiometer
- [PTR90](#) – 9 mm Multi-Ganged Potentiometer w/Rotary Switch
- [PTV142](#) – 14 mm Dual Potentiometer
- [PTE](#) – Slide Potentiometer

You will find a listing with the old MOQ/Mults and new MOQ/Mults attached for your convenience.

The system is currently being updated to reflect the new MOQs/Mults. In order to make a smooth transition to the new MOQs/Mults, **changes are effective immediately for all new orders.** Backlog orders may not be adjusted or reduced to the new MOQs/Mults.

There will be no changes to prices.
