Model EAW (Non-RoHS Version) - End of Life

Sensors and Controls is announcing the end of life for [Model EAW](#) (non-RoHS version) as announced in Q1-2005. We have continued to support the non-RoHS version for an additional year to allow sufficient time for customers to qualify the RoHS version with the FR4 element.

Effective August 1, 2006, we will cease accepting orders for the non-RoHS version. All remaining orders will ship within 60 days following this cut-off date.

The RoHS version of the Model EAW is in full production. To order the RoHS version of Model EAW, please add the "L" suffix to the part number.
