## GAS DISCHARGE TUBES

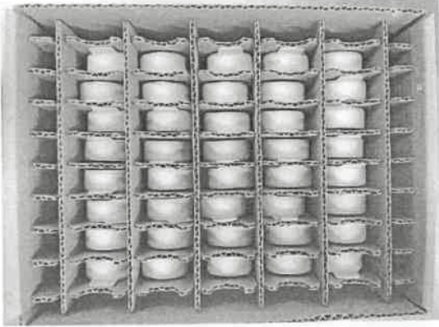

### Bourns® Model GDT225E, GDT225EX and GDT230E Series High Energy Gas Discharge Tube (GDT) Arrestors *Change in Packaging*

Riverside, California – December 17, 2024 – As part of our continuous improvement and waste reduction efforts, effective April 1, 2025, Bourns will change the packaging for the Model GDT225E, GDT225EX and GDT230E Series High Energy Gas Discharge Tube Arrestors. This change will provide the components with better protection and easier pickup for usage. With the new packaging, the quantity within each inner box and each carton will be uniform. A list of affected part numbers is included below.
