REVISED JANUARY 2, 2023

Bourns® Model PT51359MEL Signal Transformer

~~Addition of Manufacturing Site~~ **Housing Module Supplier Change**

Riverside California – December 21, 2022 – In order to support our fast-growing demand and enhance continuity of supply, effective February 1, 2023, Bourns will change its housing module supplier for the Model PT51359MEL Signal Transformer.

The affected part number is included below.

Affected Part Number
PT51359MEL

The change in supplier of the housing module for the affected model will have no effect on the form, fit or function of the affected model. The quality and reliability of the affected model should be improved. Traceability will be maintained through lot code and date code.

Samples of the affected part number with the housing module from the new supplier are available upon request. Bourns recommends that customers test samples of the the affected part number with the housing module from the new supplier in their specific applications for verification of satisfactory performance.

Implementation dates are as follows:

Date that deliveries of products with housing modules from existing supplier will cease: **January 31, 2023**

Date that deliveries of products with housing modules from new supplier will begin: **February 1, 2023**

First date code using the above changes: **2305**

If you have any questions or need additional information, please feel free to [contact Customer Service/Inside Sales](#).

Users should verify that the described changes will not impact the performance of the product in their specific applications.
