Bourns® Model 2022 Series Well-Type Gas Tube Protectors *Change in Packing Box*

Riverside, California – March 22, 2023 – Effective April 15, 2023, Bourns will change the packing box for the [Model 2022 Series Well-Type Gas Tube Protectors](#). The purpose of this change is to standardize the packing process and material with similar product lines. A list of affected part numbers is included below.

Affected Part Numbers			
2022-60-A	2022-84-A	2022-60-A-ATT	2022-84-A-ATT

This change will not affect the form, fit, function, reliability or quality of the Model 2022 Series Well-Type Gas Tube Protectors as this is a packing box change only. The product specifications will not change.

Implementation dates are as follows:

- Date that use of current packing box will cease: **April 15, 2023**
- Date that packing of product in new box will begin: **April 16, 2023**
- First date code using the above changes: **0423**

If you have any questions or need additional information, please feel free to [contact Customer Service/Inside Sales](#).

Users should verify that the described changes will not impact the performance of the product in their specific applications.
