## Bourns® TBU™ Products Addition of Second Wafer Fabrication Location

Bourns is adding a second wafer fabrication location, in Korea, for the Transient Blocking Unit part numbers below for continued secure supply chain management and delivery support to our customers.

No.	Bourns Part No.
1	<a href="#">C850-100-WH</a>
2	<a href="#">C850-180-WH</a>
3	<a href="#">C850-260-WH</a>

Reliability data, SGS and MDS reports, on the units' package assembly incorporating the above changes will be available on or before June 30, 2010.

Bourns is issuing 90 days notice that mass production using the above changes will be available beginning Aug 1, 2010.
