## Select Bourns® Model PT121 Series Radial High Q Inductors to be Discontinued

Bourns will be discontinuing the Model PT121 Series Radial High Q Inductors, with the exception of part number PT12133SL. A lack of sales volume and diminishing demand necessitates this action. Regrettably, no replacement part numbers are available at this time.

| Obsolete Part Numbers |           |           |
|-----------------------|-----------|-----------|
| PT12110SL             | PT12120SL | PT12130SL |
| PT12111SL             | PT12121SL | PT12131SL |
| PT12112SL             | PT12122SL | PT12132SL |
