## Model PSM Motorized Slide Potentiometer Packaging Change

In line with our commitment to continuous improvement, Bourns® Sensors and Controls Product Line is pleased to announce a packaging improvement to our [Model PSM Motorized Slide Potentiometer](#).

Current packaging is bubble wrap with cardboard inserts as shown in Figure 1. The new packaging will be vacuum formed plastic trays as shown in Figure 2.

*Figure 1 - Current Packaging*

*Figure 2 - New Packaging*

As a result of this packaging improvement, the minimum order quantity will increase from 120 to 140 pieces. The multiple will also increase from 60 to 70 pieces.

The new packaging will be implemented with all new orders received after June 1, 2011.

Feel free to contact [Bourns Customer Service](#) with any questions you may have regarding this product change notification.
