

Product Obsolescence Memo

Bourns® / JW Miller Model 9250A Will Replace Model 9250 on December 31, 2007

[Model 9250](#) will be discontinued on December 31, 2007. [Model 9250A](#) will replace each value of Model 9250. A part number-to-part number cross-reference is listed on page 2.

In most cases, Model 9250A is an exact replacement for the 9250 values that are being discontinued. The physical and electrical properties of Model 9250A are identical to Model 9250. There may be a slight difference in performance in a small percentage of applications due to minor variations in the internal structure of the 9250A as compared to the 9250. We shall supply up to 10 samples of the applicable value of Model 9250A to customers who wish to confirm Model 9250A's acceptability in their application.

We shall accept Last Time Buys for Model 9250 up to December 28, 2007.
