Select Bourns® Model CSI2H Series Current Sense Resistor Part Numbers to be Discontinued

Riverside, California – December 17, 2024 – In accordance with ongoing product life cycle management procedures, effective immediately, Bourns will transfer select Model CSI2H Series Current Sense Resistor part numbers with the “E” packaging option suffix to an End of Product Life status. This packaging option is not consistent with the Minimum Order Quantity. A list of obsolete part numbers is included below. The “E” suffix part numbers shown below represent packaging of 1,000 pieces per reel. This packaging option was only available for the product introduction.

Obsolete Part Numbers	Replacement Part Numbers
CSI2H-2512K-2L00FE	CSI2H-2512K-2L00F
CSI2H-2512K-2L00GE	CSI2H-2512K-2L00G
CSI2H-2512R-L500FE	CSI2H-2512R-L500F
CSI2H-3920R-1L00FE	CSI2H-3920R-1L00F
CSI2H-5930K-1L00FE	CSI2H-5930K-1L00F

Customers may still order these products using the replacement part numbers, in quantities shown in the data sheets:

- CSI2H-2512, CSI2H-3920 - 3,000 pieces per reel
- CSI2H-5930 - 1,500 pieces per reel
