Bourns® Model CDSOT23-0504F TVS Diode Array to be Discontinued

In accordance with our ongoing product lifecycle management procedure, Bourns announces the end-of-life for the Model CDSOT23-0504F TVS Diode Array. A lack of sales volume and diminishing demand necessitates this action.

Bourns is discontinuing the Model CDSOT23-0504F, with an effective date of February 28, 2014. For replacement options please contact the Bourns team of Field Application Engineers to review alternative solutions that will meet the application requirements.

We regret that replacement products are not offered at this time. Customers must notify Bourns in writing within 30 days of receipt of this notification if they consider the discontinued product to be “sole sourced” by Bourns. In such cases, Bourns will work with customers to negotiate an appropriate end-of-life purchase for the discontinued products. Products purchased during this End of Product Life transition period will be covered by Bourns’ standard warranty. Last Time Buy orders for these products will be considered non-cancellable and non-returnable.

Please plan for the following deadlines:

*Last Time Buy Date: **February 28, 2014***

*Last Time Ship Date: **May 31, 2014***

Should you have any questions or need additional information, please feel free to contact [Customer Service/Inside Sales](#).
