

# Product Obsolescence Memo

## TRANSFORMERS

March, 2015

### **Model PT61022EL LAN 10/100/1000 Base-T Transformer Modules to be Discontinued**

Bourns will be discontinuing the [Model PT61022EL](#) LAN 10/100/1000 Base-T Transformer Modules due to a lack of sales volume and diminishing demand.

The Bourns® [Model PT61022XEL](#) is the suggested replacement part number. The form, fit and function of the suggested replacement transformer is not identical to the obsolete part. However, its specifications are likely to be substitutable for typical applications. Please refer to the Bourns data sheet for more information.

Obsolete Part Number
PT61022EL

Please plan for the following deadlines:

*Last time buy date: September 30, 2015*

*Last time ship date: March 31, 2016*

Should you have any questions or need additional information, please feel free to contact [Customer Service/Inside Sales](#).
