

## Product Obsolescence Memo

### TRANSISTORS

March, 2012 - REVISED APRIL 3, 2012

### SOT93 Packaged Bipolar Transistors

In accordance with our ongoing product lifecycle management procedure, Bourns has identified products using SOT93 packages which will be transferred to an End of Product Life status. This decision has been determined as a result of our review of previous unit shipment volume and revenue performance.

Bourns is issuing a six month notice to the End of Product Life on the products listed below, with an effective notice date of March 31, 2012.

Bourns® Obsolete Part Number

Customers requiring replacement product should contact the FAE team to review alternative solutions to meet individual application requirements. Products transferred to End of Product Life status will be available for a final purchase prior to becoming obsolete:

Last Time Buy Date: July 27, 2012

Last Time Ship Date: September 28, 2012

Products purchased during this End of Product Life transition period will be fully covered by Bourns' standard warranty. Last time buy orders for these products will be considered non-cancellable and non-returnable.

If you have any technical questions, please contact our [customer service](#) team in each region.
