- [2027-xx-5M-xxx](#)
- [2027-xx-xxx](#)
- [2035-xx-5M-xxx](#)
- [2035/2037-xx-xxx](#)
- [2036-xx-5M-xxx](#)
- [2036-xx-xxx](#)
- [2038-xx-5M-xxx](#)
- [2026-xx-xxx](#)

A lack of sales volume and diminishing demand necessitates this action. A list of obsolete part numbers is included on the following pages.

The recommended replacement products are provided in the table below with the corresponding obsolete part. The form and function of the recommended replacement part numbers are identical to the obsolete parts. While the fit of the suggested replacement part will not be identical to the obsolete parts due to a difference in device height, the recommended replacement products are pad layout compatible and the specifications of the suggested replacement models are likely to be substitutable for typical applications. Please refer to the Bourns data sheet or contact a Bourns Application Engineer for more information.

Users should test the suggested replacement parts in their specific applications for verification of satisfactory performance. Samples of the suggested replacement parts are available upon request.

Customers may continue to purchase these parts during the End of Product Life transition period between now and December 31, 2025. Orders for these discontinued products during this End of Product Life transition period will be considered noncancellable. Products purchased during this End of Product Life transition period will be considered nonreturnable and will be covered by Bourns' standard warranty.

Please plan for the following deadlines:

Last time buy date: **December 31, 2025**

Last time ship date: **June 30, 2026**
