### ESD Protection - TVS Diode Products

In accordance with our ongoing product lifecycle management procedure, Bourns has identified product(s) that will be transferred to an End of Product Life status. This decision has been determined by our review of previous unit shipment volume and revenue performance.

Bourns is issuing notice of the End of Product Life on the product listed below, with an effective date of January 31, 2011.

<b>Bourns Obsolete Part Number</b>
<a href="#">CDDFN2-T3.3C</a>

Products transferred to end-of-life status will be available for final purchase prior to obsolescence according to the schedule below.

Last Time Buy Date ..... September 30, 2010  
Last Time Ship Date ..... January 31, 2011

Products purchased during this End of Product Life transition period will be covered by Bourns standard warranty. Purchases for these products will be considered non-cancellable and non-returnable.
