## Model H-490 Series Turns-Counting Dial - End of Life

Bourns® Sensors and Controls Product Line is announcing the end of life for the [Model H-490](#) Series Turns-Counting Dials. Continued decline in sales has prompted us to discontinue production of this model. This notice affects all standard and TNA part numbers associated with the H-490 model. Recommended alternate dials are [Models H-22](#) and [H-23](#).

At this time we are asking customers to assess their needs for stock and place last time buy orders. ***No further orders will be accepted after October 1, 2010.***

***All shipments will be made no later than December 15, 2010.*** Orders may not be scheduled.
