PortNote® Solutions are available on the Bourns website at www.bourns.com or directly from the landing page at <http://www.bourns.com/Library.aspx?name=PortNoteSolutions> and more are on the way. In addition to the PortNote® Solutions, the Circuit Protection Solutions Product Line has created specific *Design Kits* to accompany the notes. Each kit contains sufficient parts to prototype five boards.

If you have any questions, please feel free to contact [Bourns Customer Service](#).
