### **MG, MH, MT and MZ Chip Beads Series with Certain Values to be Discontinued**

Effective **December 1, 2011**, Bourns will no longer accept orders for certain values of MG, MH, MZ and all values of MT Chip Beads Series. A last time buy is available on or before **November 30, 2011**. A low sales volume and few active customers for these chip bead values necessitates this action. In addition, Bourns will no longer offer samples of the values to be discontinued.

We are not aware of any replacement part for these discontinued chip beads.

Affected part numbers:
