### **Bourns® Model SRN4012 Semi-Shielded Power Inductor to be Discontinued**

Bourns is discontinuing the [Model SRN4012](#) Semi-Shielded Power Inductor Series due to a low production yield. The suggested replacement is the [Model SRN4012T](#) Series which is manufactured in a fully automated process with a significantly greater production yield than the Model SRN4012 Series.

The form, fit and function of the suggested replacement inductors are not identical to the obsolete inductors. However, their specifications are likely to be substitutable for typical applications. Please refer to the Bourns data sheet for more information.
